### Summary

Project Status Summary
The PetsNPals app is coming along as anticipated. We have a layout design for our UI component, along with upcoming features planned to be implemented into the app. Currently our challenge is to setup the database to store our user's data and implement it throughout our app.

Accomplishments As Planned	Planned but not Accomplished
Wireframe layout for the app.	Database setup to store and manage our user's profiles, subscriptions, products, and data.
Research related to creating database.	Shopping tab, allowing users to add items to cart and purchase.
