Summary

Project Status Summary

Since our last update on January 28th, the PetsNPals application has stayed steady on course for a working version of our app by the time sprint 7 is due. We continue to implement our database and work together to update our UI for better customer experience. Our goal is to be able to present a detailed version on the 28th of our app to give a better understanding of what PetsNPals is setting out to do.
