Hiring manager
Software developer

Dear hiring Manager,

As a computer programming analyst graduate who was looking for a Software Engineer position, I was elated to see your job listing on indeed.

During my school program, I developed numerous skills and strengthened learned skills in school. Not only learing from teacher but also I always try to learn and improve myself to be a better software engineerer. Especially, I really enjoyed builing a website and data management with front and back end skills that exactly what you are seeking someone like myself. I am also certified in PHP, HTML, Javascript, CSS, React, React Native, Node.js, Express, Spring, GraphQL, MySQL, SQLite, MongoDB. In addition, I am hard worker but effectively, innovative and have great communication skills.

Thank you for your time and consideration. I look forward to meeting with you in person and discussing the details of this position. I can be reached anytime via phone 416 829 0018 or eamil at Hyeonjun.Yoon@georgebrown.ca.

Sincerely,

Hyun-jun Yoon
